COLLATERAL RECOVERY UPDATE REMINDER

Dear Claimant:

The Madoff Victim Fund (“MVF”) has reviewed your Claim seeking a recovery for losses you suffered from the fraud at Madoff Securities. The regulations governing the MVF require that all recoveries you have received, or that you will receive, as compensation for losses on your Madoff-related investments (“collateral recoveries”) be deducted from the amount of your claim against MVF.

The Petition Form requires you to report any collateral recoveries received and to notify MVF of any future sources of collateral recovery. In the period since claims were submitted to MVF, many claimants have received new or additional recoveries for their Madoff-related losses. Therefore, in order for MVF to complete the processing of your claim and before any cash payments can be distributed, **you must disclose any collateral recoveries you have received since your claim was originally submitted to MVF.**

Our records show that you disclosed the collateral recoveries shown on the following page. Please review the table carefully. If you have not disclosed any collateral recoveries, the table will be blank. You should add any collateral recoveries that are not listed and correct any inaccuracies. If the table is accurate and complete, you do not need to do anything further. If you need to make any changes or additions, please do so directly on the table and return this notice with documentation to support any revisions to the table.

If you need further assistance after reviewing this Notice, please contact the MVF customer service department by e-mail at info@madoffvictimfund.com or by telephone at (866) 624-3670.

Sincerely,

Madoff Victim Fund
